12 You must not:

- (a) tamper with the entry process (including but not limited to manipulating the system via bots, script use, or any other means to circumvent the entry process);
- (b) engage in any conduct that may jeopardise the fair and proper conduct of the competition;
- (c) act in a disruptive, annoying, threatening, abusive or harassing manner;
- (d) do anything that may diminish the good name or reputation of the Promoter or any of its related entities or of the agencies or companies associated with this competition;
- (e) breach any law; or
- (f) behave in a way that is otherwise inappropriate.

13 If companion/s can take the prize with you, you are responsible for your companion/s and the Promoter may disqualify all entries from, and prohibit further participation in this competition by, you or any or all of your companion/s if they materially breach these conditions, whether or not legally bound by them.

14 If you (or your companion/s, if applicable), in the reasonable opinion of the Promoter (and/or a medical professional, as relevant to the circumstances), are intoxicated, under the influence of alcohol or any other drug, behave aggressively or offensively, or behave in a manner which may diminish the good name or reputation of the Promoter or any of its related entities or the agencies or companies associated with this competition, is contrary to law or is otherwise inappropriate, the Promoter may cancel the prize or restrict you (and your companion/s) from participating in any elements of the prize, at its discretion.

15 The Promoter is not liable for entries, prize claims or correspondence that are misplaced, misdirected, delayed, lost, incomplete, illegible or incorrectly submitted for reasons outside the Promoter's reasonable control, including failure of any third parties to forward entry forms for inclusion in the draw, where relevant.

16 If any dispute arises between you and the Promoter concerning the conduct of this competition or claiming a prize, the Promoter will take reasonable steps to consider your point of view, taking into account any facts or evidence you put forward, and to respond to it fairly within a reasonable time. In all other respects, the Promoter's decision in connection with all aspects of this competition is final.

17 Prizes cannot be transferred or exchanged nor (except where cash is specified) redeemed for cash. Without limiting any other term of these Terms and Conditions, all prizes (and elements of prizes) must be taken as and when specified, or will be forfeited with no replacement. The prize values are correct as at the date of preparing these Terms and Conditions and include any applicable GST. The Promoter is not responsible for any change in prize value. You agree that if a prize (or element of a prize) is unavailable for any reason the Promoter may provide another item of equal or higher value, subject to any necessary approval by the state/territory gaming authorities.

18 If publication will take place, by entering, you request that your full address not be published.

19 Where relevant for instant win promotions, printing and other quality control errors outside the Promoter's control will not invalidate an otherwise valid prize claim. Every instant win prize claim in excess of the advertised prize pool will be honoured, unless the claim is rejected due to fraud or ineligibility under these Terms and Conditions.

20 If this competition cannot run as planned for any reason beyond the Promoter's control (for example due to software, hardware or communications issues, unauthorised intervention, tampering, fraud or technical failure, government directives, a pandemic, public health orders and the like), the Promoter may end, change, suspend or cancel the competition or disqualify affected entries/entrants, subject to any necessary approval by the state/territory gaming authorities.

21 The Promoter is not responsible for any tax implications arising from you winning a prize. You should seek independent financial advice. If for GST purposes this competition results in any supply being made for non-monetary consideration, you must follow the Australian Taxation Office's stated view that where the parties are at arm's length, goods and services exchanged are of equal GST inclusive market values.
